Proof of insurance shall be delivered to Bonner County Airports at 1101 Airport Way, Sandpoint, Idaho 83864.

ARTICLE IX – DEFAULT

- 9.1 – Events of Default:** The following events shall constitute a default of this Lease:

- a. **Default in Rent:** Failure of Lessee to pay any rent or other charge within sixty (60) days after it is due.
- b. **Default in Other Covenants:** Failure of Lessee to comply with any term or condition or fulfill any obligation of the Lease within sixty (60) days, after receipt of written notice from the County specifying the nature of the default with reasonable particularity. If the default is of such nature that it cannot be completely remedied within the sixty (60) day period (other than the payment of rent or other charges), this provision shall be complied with if Lessee begins correction of the default with reasonable diligence and in good faith as determined in a written addendum to this contract that is acceptable to the County. Notwithstanding any time limitations set forth herein, County reserves the right to bring an action at any time to compel performance of any covenant herein. Failure to take corrective action or in response to an FAA non-compliance determination whether issued informally or formally.
- c. **Insolvency of Lessee:** An assignment by Lessee for the benefit of creditors, notice that Lessee is bankrupt or the appointment of a receiver of the properties of Lessee, attachment of or the levying of execution on the leasehold interest and failure of Lessee to secure discharge of the attachment or release of the levy of execution within ten (10) days. **To the extent Lessee fails to satisfy all construction loan obligations, the undersigned representative personally guarantees that all construction loan obligations will be satisfied at or before the termination or natural end of this Lease or shall personally satisfy these obligations.**

9.2 – Remedies on Default: In the event of a default as defined above, the County, at its option, may terminate the Lease by sending written notice to Lessee by certified mail, return receipt requested, at Lessee's last known mailing address. Upon such termination, Lessee shall vacate the leased premises immediately, remove any personal property of Lessee (excluding any fixtures which have been attached to structures or the real property), perform any clean-up, alterations or other work required to leave the leased premises in the condition required at the end of the term, and deliver all keys to the County. Lessee shall be responsible for any and all costs incurred by the County associated with the enforcement of the provisions of this Agreement. If Lessee shall hold the leased premises beyond the date of such termination, the County may re-enter and take possession of the premises in accordance with the laws of the State of Idaho. 9.3 – Notice of Default and Expenses: In the event of any default by Lessee, the County shall give Lessee written notice of such default and Lessee shall have sixty (60) days after the sending of such notice to cure. In addition to curing such default, Lessee shall pay to the County the sum of one hundred dollars (\$100) to cover the County's expenses of sending such notice. Lessee shall pay any and all County legal expenses associated with Lessee's default. **To the**

extent Lessee cannot pay these costs, lessee's undersigned representative personally guarantees payment of these costs.

ARTICLE X – EXPIRATION

10.1 – Expiration: Upon expiration of the lease term, but not upon earlier termination on account of default, Lessee shall have ninety (90) days to remove all personal property and/or trade fixtures from the improvements and/or facilities constructed on the leased land and surrender the improvements and/or facilities, except that a new lease term may be negotiated by both parties at mutually acceptable terms. Any removal of personal property and/or trade fixtures from the leased premises shall be at Lessee's expense and Lessee shall be responsible for any damages caused by such removal. If no new term is negotiated, all improvements and/or facilities constructed on the leased land become the property of Bonner County and Lessee shall not be entitled to payment for the improvements and/or facilities constructed in accordance with this Lease on the leased land and Lessee shall have no claim associated therewith against the County.

10.2 – Consent of County: Except as herein expressly provided, the Lessee will not, without prior written consent of the County, assign, mortgage, sublease or otherwise encumber this Lease. The County may not unreasonably withhold its consent. It is provided, however, that Lessee may, without such consent, assign this Lease by way of mortgage, or other security device, for the purpose of securing a construction loan from an established lending institution as herein expressly provided. In the event Lessee assigns this Lease by way of mortgage to a mortgagee, the County shall give the mortgagee a copy of any notice given to the Lessee under this Lease. Such mortgagee shall have the right, within the time limitations provided for herein, to perform any term, covenant, condition or agreement and to remedy any default by Lessee

hereunder, and the County shall accept such performance by mortgagee with the same force and effect as if furnished by Lessee. Notwithstanding any language herein to the contrary, this provision is subordinate to any existing or future Federal requirements.
