Data Files (caution - clicking this links below you will download a file. This file is over 10 megabytes a depending on your connection speed).

Click on the year you want to download. It does not automatically show up on your screen, you will have to find where it downloaded on your computer. Once downloaded and you have it open, click on the "Enable Editing" at the top of the page. From here you can use the filter function. At the top of the columns there is an icon that looks like a down arrow click on it and it will open another window. See below...
