

Bonner County Board of Community Guardian

Compassion · Connection · Community

The Board of Community Guardian is a group of volunteers who serve as dedicated advocates for incapacitated individuals who lack the familial support necessary to make critical life decisions. Our mission is to uphold the inherent dignity of every client, ensuring their voices are heard and their best interests are always at the forefront.

Who is on the Board?

Volunteers who desire to advocate for those who are not capable of making decisions for themselves.

Seeking New Members!

We are looking for people who are responsible, compassionate, dependable, self-motivated and trustworthy to join the board.

Who may be eligible for assistance?

Individuals that meet residency requirements, are legally incapacitated, and have no other family, friend or agency willing or able to assist, may be eligible for county guardianship. Each referral is carefully screened and presented to the Board who determines ability to assist.
