Item #1

Memorandum

To: Commissioners

From: Bob Howard, Director

Re: Solid Waste Resolution Establishing Fees

The attached resolution is provided for your review and has been revised to establish Solid Waste Fees effective December 1, 2021.

Changes consist of removing out of county generated waste fees. Bonner County will no longer accept out of county waste therefore, these fees are no longer necessary. The circuit breaker solid waste fee reduction schedule has also been changed due to the State Tax Commission raising the maximum reduction schedule.
