

RESOLUTION NUMBER 2021 - 36

SOLE SOURCE PROCUREMENT  
TECHNOLOGY DEPARTMENT

WHEREAS, Idaho Code 67-2808(2)(vii) provides that the Board of County Commissioners may, if it is found competitive solicitation is impractical, disadvantageous, or unreasonable, acquire products in any manner the county deems best.

WHEREAS, Bonner County Board of Commissioners has determined that a competitive solicitation for certain technology security services is impractical, disadvantageous or unreasonable under these current market circumstances and that the procurement of the contract shall be a sole source purchase from Perspecta Labs Corporation. The selection of Perspecta Labs is due to the County's prior familiarity and trust with Perspecta Labs and time-pressure to expedite this service.

WHEREAS, The procurement shall have been published in the official newspaper of the political subdivision at least fourteen (14) calendar days prior to the award of the contract.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Bonner County that the IT Department shall be authorized to enter into a sole source purchase contract with Perspecta Labs for the reasons stated above. Such purchase shall occur only after fourteen (14) calendar days of published notice of intent and with no formal objection received from that published notice.
