Re: Add unanticipated funds to FY 2026 "B" Budget, line item 006-7430

Idaho Code 31-1605 provides that the Board of County Commissioners may adjust the budget as adopted, provided that there shall be no increase in anticipated property taxes. Bonner County District Court received an additional \$44,681.72 in unanticipated revenue in 006-4680 (State Revenue).

Whereas a security and safety project has been started in fiscal year 2025, we are proposing to increase District Court budget line 006-7430, building R/M, in the amount of \$10,100 as these funds could assist in courthouse security enhancement projects commenced in 2025.

District Court requests the Commissioners authorize the Clerk to open the FY 2025 budget and add unanticipated revenue to District Court "B" budget for a total increase of \$10,100. Please reference the attached budget amendment resolution.

A suggested motion would be: I move to approve Resolution 25-36, authorizing the Clerk to open the District Court "B" Budget for the sum of \$10,100 as detailed in the Resolution.
