ROAD & BRIDGE MEETING AGENDA

August 12th, 2024

Monday, 2:30 PM

BOCC TOPICS:

Jason Topp, Director

Our application for the Whisky Jack to West Oden Project was wrongfully pulled as the Feds did not recognize LHTAC as a governing body that was on our application.

We are going after another grant for the project as part of a railroad crossing elimination Grant.

Grouse Creek Bridge over Grouse Creek is moving along in construction.

Rapid Lightning Bridge number 5 is also moving smoothly in construction.

Sunnyside and Blanchard Asphalt projects are wrapping up and should be finished prior to this meeting.

Our chip seal program should be close to wrapping up as well.

Culvert Replacement on Edgemere cutoff will be taking place soon.

The big Culvert replacement on Garfield Bay Road will take place in September.

Striping !!!
