

Guest Speaker – Chaplain Dave Lotze

- What Chaplains do and how they help or can help different departments.
- Upcoming Classes: Death notifications, CISM and Suicide Intervention

Around the Room:

- Mike Thompson: Busy now that road weight limits are off. Please make sure to contact if there is a power line down.
- Dale Hopkins: Gearing up for fire season, it's been busy already.
- Jay Baker: Had a meeting with Nez Perce to assess damages done by the April 7th-13th rain. Will present to Gov. Little to approve it as a disaster. Mike Meier with Boundary Co. EM has resigned.
- Jason Blubaum: Burn Permits required starting tomorrow.
- Bill Steele: Busy fire season, so far, more fires than all last year.
- Michael Lambert: Valley Vista is doing a evacuation exercise next week.
- Lee Lukehart: ARES has a field day training with Search and Rescue on June 22nd and 23rd.
- Mark Feddersen: Working on grants.
- Mary Ziegler: Next week is Hospital Appreciation week. BGH is also doing an exercise.
- Mary Bluhm: Kaniksu is also doing an exercise.
- Steve Sanchez: Pend Oreille Surgery Center has its 10-year anniversary party tomorrow
- Pam Finley: BCEM is participating in the BGH exercises next week. CERT members are participating in the Search and Rescue exercise. Weather Spotter class is at the at the library on the 16th at 6pm. Type 3 incident Hazmat Management team is looking for members.
- Bob Howard: Search and Rescue is getting some good participants for the exercise. Other than that, it's been budget week and gearing up for summer.

Meeting Adjourned 10:04 am
Next month's LEPC is 06/13/2019
