The Idaho Department of Lands received Western Fire Managers Mitigation dollars that the BonFire Steering Committee applied for, managed by Bonner County Emergency Management.

The Grant project was named Sagle South Hazardous Fuel Breaks which is to conduct hazard fuel treatment work on non-federal land in Bonner County. May of 2018 this grant was awarded in the amount of \$240,000 to Bonner County. The Program Manager for the committee did planning for future projects and education then based on fuel break priorities, built some projects. These projects went out to bid to several vendors. Please see the attached for the award information.
