Good afternoon,

The Spirit Lake Fire Protection District supports the text amendment to Title 12 of the Bonner County Revised Code: BCRC 12-333: The removal of the Recreational Vehicle Park/Campground use as a conditional use and prohibit this use in the Rural, Agricultural/Forestry, and Rural Service Center zoning districts. Notably, RV parks/campgrounds pose a unique risk, especially in the Wildland Urban Interface as a fire could spread to other RVs, surrounding homes, and the wildland, potentially impacting all of Bonner County, even potentially threatening homes in neighboring fire districts. RV parks are unregulated in Idaho and the transient nature of the park makes prevention and enforcement nearly impossible. RVs burn more rapidly than structures and spread to other neighboring RVs rapidly. A full RV park/campground poses a high risk for civilian rescue, or even life loss. LPG tanks and other hazards associated with RVs can pose unique operational challenges for short-staffed fire districts. With limited resources in our county, RV parks/campgrounds pose a tactical challenge and requires fire districts to be more attentive to fire prevention features, conditions, and designs.
