Board of County Commissioners Staff Report for June 16, 2025

Amendment Title	Area of Impact – City of Hope
File Number, Type:	AM0009-25; Modification to the Area of Impact for the City of Hope
Proposal:	<p>Bonner County has proposed to modify the Area of Impact (AOI) for the City of Hope pursuant to Idaho Code §67-6509 and §67-6526. The AOI is a planning tool used to help the city project future growth planning. Idaho law requires each city to identify an area where it expects to grow over time. The AOI helps guide that planning efforts and it does not grant the city any governing authority over properties within the AOI.</p>
Applicants:	City of Hope
Notice Provided:	<p>Agency Notice: May 29, 2025 Published in Newspaper: May 29, 2025 Notice to Properties Owners: May 29, 2025</p> <p>Notice of the public hearing to consider the proposal has been provided at least 15 days prior to the hearing to the political subdivisions providing services in Bonner County, to area newspapers, radio and television stations, incorporated cities within Bonner County, and the school districts, consistent with Idaho Code §67-6509.</p>
Appendices	<p>Appendix A – Notice of Public Hearing & Record of Mailing Appendix B – Agency Comments Appendix C – Proposal from the City of Hope Appendix D – Draft Ordinance Appendix E – Idaho Code §67-6526 (Area of Impact)</p>

Project Authority:

This Ordinance is proposed under the authority granted at Idaho Code:

- §31-714 through §31-716 (Board of County Commissioners)
- §31-801 (Powers And Duties Of Board Of Commissioners);
- §67-6526 (Areas of Impact)

Public and Agency Comment:

Agency Review

A notice was provided to public agencies and political subdivisions in accordance with Idaho Code 67-6509, see Appendix A for a complete agency notification list.

The following agencies replied:

Idaho Department of Environmental Quality

No other agency comments were received.

Public Comments: As of the date of this staff report, one public comment was received regarding the proposal.

Historical Context and Legislative Changes:

The current Area of City Impact (ACI) agreement was adopted on January 29, 1978, via Ordinance 120. The ACI map was established on January 29, 1978 via Ordinance 119. These ordinances established the agreement between the County and the City and designated the geographic area of the ACI in accordance with Idaho Code §67-6526.

During the 2024 legislative session, Senate Bill 1403 was passed and signed into law. This bill amended Idaho Code §67-6526, making several substantive changes to the regulation of Areas of Impact.

Summary of Changes – Senate Bill 1403 (2024)

- **Area of Impact Boundaries (Idaho Code §67-6526):** Limits the maximum extent of a city's area of impact to areas that are very likely to be annexed to the city within the next five (5) years, and no more than two (2) miles beyond the existing city boundary. Counties retain discretion to establish smaller boundaries but cannot exceed the two-mile cap.
- **Jurisdiction for Establishing Areas of Impact (Idaho Code §67-6526):** Clarifies that counties have primary jurisdiction to adopt and regulate areas of impact.
- **Mandatory Periodic Review (Idaho Code §67-6526(a)):** Requires areas of impact to be reviewed at least every five (5) years. All existing areas of impact must be reviewed for compliance with the updated statute by December 31, 2025.

Proposed Area of Impact:

Hope and East Hope ACI/AOI Map

East Hope and Hope Proposed Area of Impact

Public Notice Analysis:

Idaho Code §67-6526, as amended, requires that notice for a public hearing on a proposed Area of Impact boundary adjustment follow the procedures outlined in Idaho Code §67-6509. In addition, it requires that “written notice of the hearing to be conducted under this subsection shall be provided by the county to each owner of property located within a proposed area of impact.”

Upon receipt of the proposal from the City of Hope, Planning Staff collaborated with the GIS Department to map the geographic boundary of the proposed Area of Impact. Using this boundary, a list of property owners within the proposed AOI was generated based on records from the County Assessor’s Office. The list of property owners, along with a draft notice, was sent to the City of Hope’s planning staff for review and verification. Following this review, written notice was mailed to all property owners of record within the proposed Area of Impact boundary. The public notice, agency notice, and record of mailing can be found in Appendix A of this staff report.

Staff Analysis of the City Proposal:

Review of City of Hope Area of Impact Proposal for Compliance with Idaho Code §67-6526

The City of Hope submitted a formal request on May 21, 2025, to update its Area of Impact (AOI) boundary in accordance with Idaho Code §67-6526. The request was approved by the Hope City Council and submitted jointly with the City of East Hope for consideration by the Board of County Commissioners. The proposal and corresponding boundary map are provided in Appendix C of this staff report.

Under Idaho Code §67-6526(1), an AOI may not extend more than two (2) miles beyond a city’s incorporated boundaries. Planning and GIS staff reviewed the proposed boundary and confirmed that the City of Hope’s proposed AOI does not exceed this statutory distance limitation.

In addition to the two-mile distance limitation, Idaho Code §67-6526(1)(b) requires that the AOI boundary encompass only areas “very likely to be annexed within the next five (5) years.” The City of Hope’s annexation of approximately 318 acres of land, acquired by the City as a gift, demonstrates recent expansion of the city limits. Further, all properties included within the proposed AOI boundary are contiguous to the existing city limits. Although the proposal does not include detailed growth projections or infrastructure expansion plans, the adjacency of the proposed AOI to the city limits and recent annexation activity provide support for a finding that the area is positioned for potential annexation within the required five-year timeframe.

The proposal reflects a modest reduction in the size of the City’s existing Area of City Impact, aligning the AOI more closely with the revised requirements of Idaho Code §67-6526. The reduction appears to focus the AOI on areas most proximate to the current city boundaries and likely to be served by municipal services.

Idaho Code §67-6526(3) requires that cities with overlapping or abutting AOIs negotiate in good faith to recommend boundary adjustments. The City of Hope and the City of East Hope collaborated to adjust the AOI boundary along Strong Creek, clarifying the division of jurisdiction. The cities have submitted consistent maps and boundary descriptions in support of their proposals.

Idaho Code §67-6526(a) provides that cities should receive notice of, and may provide input on, applications brought to the county within an Area of Impact. The draft ordinance includes a provision for notification at least thirty (30) days prior to any public hearing concerning land use applications within the AOI. The draft ordinance can be found in Appendix D of this staff report.

Based on the review of the submitted materials, the proposal appears to meet the statutory requirements for AOI boundary designation and supports the intent of Idaho Code §67-6526 to align AOI boundaries with areas likely to experience annexation.

Planner's Initials: JG

Date: June 9, 2025

Note: The final decision rests with the governing body after the completion of the public hearing and consideration of all relevant oral and written testimony and evidence.

Motion by the Governing Body:

BOARD OF COUNTY COMMISSIONERS

MOTION TO APPROVE: I move to approve this FILE AM0009-25 to adopt, Area of Impact for the City of Hope pursuant finding that it **is** in accord with Idaho Code §67-6526, Areas of Impact. This decision is based upon the evidence submitted up to the time the Staff Report was prepared and testimony received at this hearing. I further move to adopt the findings of fact as set forth in the Staff Report (or as amended during this hearing) and direct staff planning to draft written findings and conclusions to reflect this motion, have the Chair sign, and transmit to all interested parties. This action does not result in a taking of private property.

BOARD MOTION TO ADOPT ORDINANCE (Roll Call Vote): I move to approve an Ordinance of Bonner County, Idaho, the number to be assigned, citing its authority, and providing for the adoption the Area of Impact for the City of Hope as presented or amended in this hearing, and providing for an effective date.

MOTION TO DENY: I move to deny this FILE AM0009-25 to adopt, Area of Impact for the City of Hope pursuant finding that it **is not** in accord with Idaho Code §67-6526, Areas of Impact. This decision is based upon the evidence submitted up to the time the Staff Report was prepared and testimony received at this hearing. I further move to adopt the findings of fact as set forth in the Staff Report (or as amended during this hearing) and direct planning staff to draft written findings and conclusions to reflect this motion, have the Chair

sign, and transmit to all interested parties. This action does not result in a taking of private property.

Findings of Fact:

1. In 2024, the Idaho Legislature adopted Senate Bill 1403, which amended Idaho Code §67-6526, "Areas of Impact," revising the requirements for establishing and maintaining Areas of Impact.
2. Idaho Code §67-6526, as amended, requires that each city and the Board of County Commissioners adopt an updated Area of Impact by December 31, 2025, and review the agreement at least once every five (5) years thereafter.
3. The City of Hope's proposed Area of Impact (AOI) boundary does not extend to, or beyond, the two-mile limit, satisfying Idaho Code §67-6526(1).
4. Planning and GIS staff reviewed the City of Hope's proposed Area of Impact boundary and determined that it does not extend more than two (2) miles beyond the existing city limits, consistent with the limitations set forth in Idaho Code §67-6526(1).
5. The City of Hope annexed approximately 318 acres of land, which was gifted to the City. All properties within the proposed AOI are adjacent to the existing city limits.
6. The City of Hope coordinated with the City of East Hope to adjust their shared AOI boundary along Strong Creek. The adjustment clarifies jurisdictional divisions between the two cities, and consistent proposals were submitted for the Board's consideration.
7. Idaho Code §67-6526(3) provides that cities with abutting boundaries negotiate in good faith to recommend AOI boundaries. In the absence of an agreement, each city may submit a proposal, and the Board of County Commissioners is responsible for determining the final boundary.

The complete file is available for review in the Planning Department, 1500 Highway 2, Suite #208, Sandpoint, ID. Staff reports are available online prior to the scheduled hearing at www.bonnercountyid.gov Bonner County Revised Code (BCRC) is available at the Planning Department or online.

This notice was mailed to political subdivisions and the media on **Thursday, May 29, 2025**.

NOTICE IS HEREBY GIVEN that the Bonner County Commissioners will hold a public hearing beginning at **11:00 a.m.** on **Monday, June 16, 2025**, in the Bonner County Administration Building, 1500 Highway 2, Sandpoint, Idaho, by Zoom teleconference, and YouTube Livestream to consider the following requests:

File AM0009-25 – Modification to the Area of Impact for the City of Hope

Bonner County has proposed to modify the Area of City Impact (AOI) for the City of Hope pursuant to Idaho Code §§ 67-6509 and 67-6526. The AOI is a planning tool used to help the city project future growth planning. Idaho law requires each city to identify an area where it expects to grow over time. The AOI helps guide that planning efforts and it does not grant the city any governing authority over properties within the AOI.

For details regarding this application, Zoom teleconference, or YouTube livestream, visit the Planning Department web site at www.bonnercountyid.gov/departments/Planning. Staff reports are available online or may be viewed at the planning department approximately a week before the scheduled hearing.

Written statements must be submitted to the planning department record no later than seven (7) days prior to the public hearing. Written statements not exceeding one standard letter sized, single spaced page may be submitted at the public hearing. Statements can be sent to the Bonner County Planning Department at 1500 Highway 2, Suite 208, Sandpoint, Idaho 83864; faxed to 866-537-4935 or e-mailed to planning@bonnercountyid.gov. The referenced start time stated above reflects the beginning of the hearing. Specific file start time and hearing duration vary.

During the hearing for this application, the public will be given an opportunity to provide testimony and/or evidence regarding how the proposal does or does not comply with the applicable state statutes. At the close of the public hearing, the governing board will make a decision on the proposal that may include, but is not limited to, approval, denial, or continuance of the public hearing. Any person needing special accommodations to participate in the public hearing should contact the Bonner County Planning Department at (208)265-1458 at least 48 hours prior to the scheduled hearing.

If you have no comment or response, you may indicate below and return this form to the Planning Department.

Appendix C – Proposal from the City of Hope

May 21, 2025

Via email

Bonner County Board of Commissioners
Bonner County Planning Director Jacob Gabell

Re: City of East Hope and City of Hope Area of Impact Requests

Dear Board of Commissioners and Planning Director:

Pursuant to Idaho Code § 67-6526, "Areas of Impact," the Cities of East Hope and Hope hereby submit their joint formal request to the Board of County Commissioners for establishment of certain boundaries for the East Hope and Hope Area of Impacts (AOI).

As the County is well aware, newly adopted legislation by the state of Idaho modified a number of criteria which define an AOI, including definitional changes which now state that an AOI should include only those areas which are "very likely to be annexed to the city within the next five (5) years." As a result, both the East Hope and Hope City Councils have reviewed where potential modifications to the current Area of City Impacts (ACI) may be needed in order to meet this new legislation. The cities have concluded the current ACI boundaries should be adjusted as follows:

- Adjust the shared AOI boundary along Strong Creek as it enters the City of East Hope to have the City of Hope's AOI be the land northwest of Strong Creek and the area of land southeast of Strong Creek (in the southeast quarter of the northeast quarter of Section 35) be in the City of East Hope's AOI. The purpose for the proposed westerly extension of the East Hope boundary is to encompass the city's water system.
- Enlarge the City of East Hope's AOI to include those portions of the current ACI of Hope in the western half of Section 26 and all of Section 25, as illustrated on the proposed AOI boundary map.
- Reduce the City of East Hope's AOI to no longer include the west half of section 6.
- Leave the boundaries of the City of Hope unchanged except as otherwise noted above and with the reduction of the westerly boundary of the current Area of City Impact, as shown on the attached map.

Consistent with Idaho Code § 67-6526(3)(a), the Cities hereby submit their requests to the Board of County Commissioners for an Area of Impact (AOI) boundary, as shown on the attached map.

The following statements provide evidence in support the East Hope and Hope AOI requests:

- The proposed boundaries reflect a reduction of land from the currently adopted ACI.
- None of the requested land within either proposed AOI exceeds the 2-mile limit set by the newly enacted legislation.

The Cities are also in receipt of the preliminary draft of the County's AOI establishment ordinance. The Cities recognize that an underlying intent of the new AOI legislation is to standardize processes and ensure government entities can continue to collaborate on matters of growth and development. The Cities of East Hope and Hope respectfully request that any ordinance establishing an AOI within Bonner County include a requirement to timely notify an affected city of pending development within the area of impact. Prompt notification of development within the established AOIs will allow meaningful input from the cities to ensure compatibility in future land use planning decisions. To accomplish this, such ordinance language should include notification to affected cities when there are proposed county zoning and comprehensive plan amendments, subdivisions, conditional use permits, and variances. Adding this requirement to the County's forthcoming ordinance to include a minimum 30-day notice will ensure the continuation of this practice and support of said ordinances by the Cities of East Hope and Hope.

Please advise if additional mapping or AOI boundary details are needed, or if the County desires further explanation on the need for inclusion of notice language within its proposed ordinance. Otherwise, the Cities of East Hope and Hope look forward to working together with the County to ensure a smooth adoption process of AOI boundaries and develop an ordinance which can protect the interests of both County and City processes.

Sincerely,

East Hope Council President

Hope Council President

Appendix D – Draft Ordinance

Ordinance No. _____

**City of Hope Area of Impact Agreement
Bonner County Idaho**

AN ORDINANCE OF BONNER COUNTY, IDAHO, ESTABLISHING AN AREA OF IMPACT FOR THE CITY OF HOPE; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

Whereas, the Board of Bonner County Commissioners, pursuant to Idaho Code §67-6526, is authorized to establish an area of impact; and

Whereas, the Board of County Commissioner held a duly noticed public hearing on June 16, 2025; and

Whereas, this Ordinance is required by Idaho Code 67-6526;

NOW, THEREFORE BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF BONNER COUNTY, IDAHO:

SECTION 1. PURPOSE

The purpose of this ordinance is to establish an Area of Impact for the City of Hope as required by Idaho Code § 67-6526. This ordinance ensures coordination between Bonner County and the City of Hope in planning and zoning matters while recognizing the county's jurisdiction over unincorporated areas.

SECTION 2. BOUNDARIES OF THE AREA OF IMPACT

The boundaries of the Area of Impact for the City of Hope shall be as depicted on the official map attached hereto as Exhibit A and incorporated herein by reference. The AOI boundary shall not exceed two (2) miles from the current city limits of Hope, except where necessary to include entire parcels of land or where geographic, infrastructure, or growth considerations warrant.

SECTION 3. CRITERIA FOR ESTABLISHING THE AREA OF CITY IMPACT

In establishing the AOI boundaries, the following criteria were considered in compliance with Idaho Code § 67-6526(4):

1. **Anticipated Growth:** The AOI includes areas likely to experience residential and commercial growth within the next five (5) years.
2. **Geographic Factors:** The AOI considers topographical features, natural barriers, and other geographic constraints.
3. **Transportation Infrastructure:** The AOI encompasses areas with existing or planned transportation systems that connect to the City of Hope.
4. **Public Services:** The AOI includes areas where municipal or public sewer and water services are anticipated to be extended within five (5) years.
5. **Other Public Service District Boundaries:** The AOI aligns with existing public service district boundaries where applicable.

SECTION 4. APPLICABLE PLANS AND ORDINANCES

The Bonner County Comprehensive Plan and zoning and subdivision ordinances shall apply within the AOI. The county may adopt specific provisions for the AOI in coordination with the City of Hope. The City of Hope comprehensive plan may be considered as an advisory document for planning purposes within the AOI.

SECTION 5. ADMINISTRATION

1. **Public Hearings:** The Board of County Commissioners shall notify the City of Hope at least thirty (30) days prior to any public hearing concerning land use applications within the AOI. As part of such public hearing process, the City of Hope shall be provided an opportunity to submit written comments or provide other evidence pertinent to the application.
2. **Review and Modification:** The AOI boundaries shall be reviewed at least once every five (5) years to determine if modifications are necessary. Any modifications shall follow the procedures outlined in Idaho Code § 67-6526(3).
3. **Repealer Clause:** All ordinances in conflict with this ordinance are hereby repealed in their entireties, including Bonner County Ordinance #119 recorded at Instrument #201820 and Ordinance #120 recorded at #201821, records of Bonner County, Idaho.

SECTION 6. SEVERABILITY

If any section, subsection, sentence, clause, or phrase of this ordinance is for any reason held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining portions of this ordinance.

SECTION 7. EFFECTIVE DATE

This ordinance shall be in full force and effect upon its passage, approval, and publication as provided by law.

ADOPTED as a ordinance of the Board of County Commissioners of Bonner County, Idaho, done this 16th day of June, 2025 upon a majority vote.

EXHIBIT A: OFFICIAL MAP OF THE AREA OF IMPACT

Appendix E – Idaho Code §67-6526 (Area of Impact)

Idaho Statutes

Idaho Statutes are updated to the website July 1 following the legislative session.

TITLE 67

STATE GOVERNMENT AND STATE AFFAIRS

CHAPTER 65

LOCAL LAND USE PLANNING

67-6526. AREAS OF IMPACT. (1) Legislative findings and intent.

(a) The legislature finds that areas of impact are properly under the jurisdiction of the county because the elected representatives of citizens in areas of impact are county officials, not city officials. While cities should receive notice of, and may provide input on, applications brought to the county in an area of impact, cities do not govern or control decisions on those applications. County commissioners make the final determination regarding area of impact boundaries within their county.

(b) An area of impact is where growth and development are expected to occur. Areas of impact should be planned for growth and development and should not be used to stop growth and development that conforms to applicable plans and ordinances. Areas of impact should be established, modified, or confirmed based on the ability and likelihood of a city or cities to annex lands within that area of impact in the near future. A city may adopt a comprehensive plan and conduct infrastructure, capital improvement, and other planning activities that extend beyond its current area of impact. Counties and cities shall review their area of impact boundaries at least every five (5) years to determine if modifications are needed or to confirm existing boundaries and may pursue modification of an established area of impact more frequently than every five (5) years.

(c) Prior to conducting the public hearings required under this chapter to establish, modify, or confirm an area of impact, cities and counties should work together to develop a proposed area of impact to be considered at the public hearing.

(d) Decisions regarding the establishment, modification, or confirmation of areas of impact are legislative actions and are not subject to judicial review or challenge except as provided in subsection (5) of this section.

(2) Establishing an area of impact.

(a) Following the notice and hearing procedures provided in section 67-6509, Idaho Code, and in accordance with the provisions of subsection (4) of this section, the board of county commissioners of each county shall adopt by ordinance a map identifying the area of impact within the unincorporated area of the county for each city located in the county. Written notice of the hearing to be conducted under this subsection shall be provided by the county to each owner of property located within a proposed area of impact. If notice is also published pursuant to section 67-6509, Idaho Code, individual property owners may not challenge the proceeding on the basis that they did not actually receive notice by mail. The cost of the notice shall be

reimbursed to the county by the city whose area of impact is under consideration. The board of county commissioners is not required to receive a recommendation from the planning and zoning commission prior to enacting an ordinance establishing an area of impact. An area of impact must be established before a city may annex adjacent territory pursuant to the provisions of section 50-222, Idaho Code.

(b) If the requirements of paragraph (a) of this subsection are not met in establishing an area of impact, the city may demand compliance with this subsection by providing notice to the board of county commissioners of the demand for compliance. Once a demand has been made, a recommendation committee shall be established. The city and county shall each select a representative to participate on the committee within thirty (30) days of the demand for compliance and the process set forth in this paragraph shall commence.

(i) After the city and county representatives have been selected, they shall in turn select another city representative living within the applicable city and another county representative living in the county and not within any city to serve on the recommending committee. Meetings of the recommending committee may be hosted by the city or county and shall be conducted in accordance with Idaho open meetings law. These four (4) persons shall, by majority vote, provide a written recommendation to the board of county commissioners for an area of impact. The written recommendation shall be submitted to the governing boards within one hundred eighty (180) days after the selection of the recommending committee members.

(ii) If the board of county commissioners fails to enact an ordinance providing for an area of impact within ninety (90) days of receipt of the committee recommendation or expiration of the one hundred eighty (180) days for the committee to make its recommendation, the city may file a petition with the district court to identify the area of impact pursuant to subsection (5) of this section and in accordance with other applicable provisions of this section.

(3) Modification or confirmation of area of impact boundaries.

(a) Modification or confirmation of an existing area of impact boundary may be initiated by a city or cities or the county. If a county is initiating a modification or confirmation of an area of impact, the county shall provide at least thirty (30) days written notice to the applicable city or cities of the hearing on the proposed modification or confirmation. Any modifications to or confirmation of an area of impact boundary must be adopted by an ordinance approved by the board of county commissioners of the applicable county, following the notice and hearing procedures provided in section 67-6509, Idaho Code, and in accordance with the requirements for defining an area of impact as set forth in subsection (4) of this section. At least fifteen (15) days prior to the hearing, written notice of the hearing to be conducted under this paragraph shall be provided by the county to each owner of property located within the portion of the area of impact that is proposed to be modified. If notice is also published pursuant to section 67-6509, Idaho Code, individual property owners may not challenge the proceeding on the basis that they did not actually receive notice by mail. If the modification or confirmation

is proposed by a city, then the cost of the notice shall be reimbursed to the county by such city. If the county is pursuing the modification or confirmation, then the cost of notification shall be borne by the county. The board of county commissioners is not required to receive a recommendation from the planning and zoning commission prior to enacting an ordinance modifying or confirming an area of impact.

(b) Where areas of impact abut each other and adjustments are being proposed, or where areas of impact are proposed to abut each other, the cities involved shall negotiate boundary adjustments to be recommended to the respective city councils. The city council of each city must approve the area of impact or modifications thereto to be proposed to the board of county commissioners. These decisions by the city councils are proposals and not subject to judicial review or challenge. If the cities with impact area boundaries that abut or are proposed to abut each other reach agreement on the proposed boundaries or adjustments thereto, the requested boundaries or adjustments shall be collectively submitted by the cities to the county for consideration in accordance with paragraph (a) of this subsection. If the cities cannot reach agreement, then any or all of the cities involved may submit their requests to the board of county commissioners for consideration pursuant to paragraph (a) of this subsection. In either case, the county shall conduct at least one (1) consolidated public hearing where it considers all such requests together.

(c) The county may accept, reject, or modify a city's requested modification or confirmation regarding an impact area boundary, but if the county does not make a final decision on the request within ninety (90) days of submission of the request, the city may petition the court to make a determination on the request pursuant to subsection (5) of this section.

(4) Provisions applicable to areas of impact.

(a) In defining an initial area of impact or in modifying or confirming an existing area of impact, the criteria set forth in this subsection shall be considered:

- (i) Anticipated commercial and residential growth;
- (ii) Geographic factors;
- (iii) Transportation infrastructure and systems, including connectivity;
- (iv) Areas where municipal or public sewer and water are expected to be provided within five (5) years; and
- (v) Other public service district boundaries.

(b) In addition to the criteria set forth in paragraph (a) of this subsection, an area of impact shall not exceed the areas that are very likely to be annexed to the city within the next five (5) years. Except as otherwise provided in this paragraph, an area of impact shall not extend more than two (2) miles from existing city limits. An area of impact boundary shall not divide county recognized parcels of land. If only a portion of a recognized parcel falls within the two (2) mile limit, then the boundary may extend beyond two (2) miles on that parcel so that it encompasses the entire parcel. Adjustments to an area of impact may be proposed and considered at any time following the initial establishment of the area of impact.

(c) Areas of impact may cross county boundaries only by approval of the governing board of county commissioners after following the procedures and complying with the requirements for modification or confirmation of an area of impact boundary.

(d) Areas of impact shall not overlap.

(e) The applicable county's comprehensive plan and zoning and subdivision ordinances shall apply in the area of impact. The county may adopt individual county comprehensive plan and zoning and subdivision ordinance provisions regarding a specific area of impact.

(f) Following adoption of an area of impact, the board of county commissioners shall provide the city with written notice at least fifteen (15) days in advance of any county public hearings held pursuant to this chapter or to chapter 13, title 50, Idaho Code, involving land within that area of impact.

(g) Areas of impact shall remain fixed until modifications are made pursuant to subsection (3) of this section.

(h) Prior to considering a request to establish, modify, or confirm an area of impact, the governing boards may, but are not required to, submit the request to the planning, zoning, or planning and zoning commission for recommendation. Each commission shall have a reasonable time fixed by its governing board in compliance with all required timelines set forth in this section to make its recommendation to the governing board. The county and the city shall undertake a review of the area of impact at least once every five (5) years and shall consider whether adjustments are in the best interests of the citizenry.

(i) This section shall not preclude annexation or other growth and development in areas of any county within the state of Idaho that are not within the areas of impact provided for herein.

(j) The county's decision establishing, modifying, or confirming the boundaries for an area of impact shall be made in writing and shall contain the reasoning of the board of county commissioners, including application of the facts relied upon by the commissioners and the application of the pertinent requirements and criteria to establish or modify an area of impact.

(k) If the area of impact has been properly established, persons living within the delimited area of impact shall be entitled to representation on the planning, zoning, or the planning and zoning commission of the city of impact. Such representation shall as nearly as possible reflect the proportion of population living within the city as opposed to the population living within the areas of impact for that city. To achieve such proportional representation, membership of the planning, zoning or planning and zoning commission may exceed twelve (12) persons, notwithstanding the provisions of subsection (a) of section 67-6504, Idaho Code. In instances where a city has combined either or both of its planning and zoning functions with the county, representation on the resulting joint planning, zoning or planning and zoning commission shall as nearly as possible reflect the proportion of population living within the impacted city, the area of impact outside the city, and the remaining unincorporated area of the county. Membership on such a joint planning, zoning or planning and zoning commission may exceed twelve (12) persons, notwithstanding the provisions of section 67-6504(a), Idaho Code.

(5) Petitions for review of establishment, modification, or confirmation of area of impact. The decisions by the board of county commissioners regarding the establishment, modification, or confirmation of areas of impact are legislative actions and are not subject to judicial review, declaratory action, or other legal challenge, except as specifically provided in this subsection.

(a)(i) If a county has not complied with the provisions of subsection (2) or (3) of this section, the city seeking the establishment, modification, or confirmation of an area of impact may petition the district court to establish, modify, or confirm an area of impact that meets the criteria and requirements of subsection (4) of this section in accordance with the procedures provided in this subsection. If the modification of an area of impact boundary involves areas of impact boundaries that abut each other or that are proposed to abut each other, then any city whose area of impact abuts or is proposed to abut another area of impact boundary may file a petition challenging the county's determination regarding only those boundaries that abut or that are proposed to abut each other. Any petition regarding a proposed area of impact or portion thereof that is subject to challenge must be filed in the county in which the proposed area of impact or portion thereof is located.

(ii) Before a city may file a petition for review of an area of impact decision made by the county, as provided in paragraph (a)(i) of this subsection, it must first file a request for reconsideration with the board of county commissioners. Such request must be filed within fourteen (14) days of the issuance of the written decision by the board of county commissioners and must specify deficiencies in the decision of the board of county commissioners. Filing a timely request for reconsideration is a prerequisite to the city having standing to file a petition with the district court. The county shall act on and issue a written decision on the request for reconsideration within thirty (30) days of receipt of the request or the request shall be deemed denied. A petition challenging the decision of the county must be filed by the city within twenty-eight (28) days after the issuance of a decision by the county on the request for reconsideration or expiration of the thirty (30) day period for the county to act on the request.

(b) When filing a petition challenging the decision of the board of county commissioners with the clerk of the court, the petitioner shall pay a fee of one hundred dollars (\$100), which fee shall be in full for all clerk's fees except the regular fees provided by law for appeals. The court shall fix a time for the hearing on the petition to be held no less than thirty (30) days and no more than ninety (90) days from the filing of the petition. The petitioner shall serve or cause to be served a copy of the petition and notice of the hearing on the board of county commissioners or county clerk and the mayor or city clerk of such other city whose area of impact boundary is in question pursuant to paragraph (a) of this subsection at least twenty (20) days before the date of the hearing.

(c) No petition, objection, or reply authorized under this subsection need be verified.

(d) The hearing on a petition filed pursuant to this subsection shall be held within the county in which the area of impact or portion thereof is situated. The regular district court reporter shall reduce to writing the testimony and evidence introduced in the same manner as in a trial of civil actions. The judge of the court, either before or after the hearing, may view the lands pertaining to the proposed area of impact, lands on the outside of the city or cities in the same vicinity in which the lands sought to be included in the area of impact are situated, and other lands within the corporate limits of the city that might in any way be affected by the granting of the petition. The judge may consider such modifications as the judge finds in connection with the evidence introduced at the hearing, in making and arriving at a final decision and determination of the matter.

(e)(i) If the court finds that the board of county commissioners did not follow the notice and hearing requirements provided in this subsection, the court shall remand the matter back to the board of county commissioners to comply with the requirements and issue a new decision. If the court finds that the decision of the board of county commissioners was not arbitrary, capricious, or an abuse of discretion, the court shall affirm the decision of the board of commissioners. If the court finds that the decision of the board of county commissioners was arbitrary, capricious, or an abuse of discretion, the court may remand the matter to the board of county commissioners to correct its decision or the court may determine the appropriate boundaries of the area of impact in question before it. It shall not be necessary for the judge of the court to make written findings of fact or conclusions of law unless the court establishes the area of impact boundary. The court may award attorney's fees and costs to the prevailing party in such an action only if it finds that the other party or parties acted without a reasonable basis in fact or law.

(ii) If the court establishes the area of impact boundary, such boundary shall become the area of impact boundary as of the date of the decree establishing the boundary. Within twenty (20) days after the filing of the decree, the petitioner shall file or cause to be filed with the county recorder and with the city clerk a certified copy of the decree. The board of county commissioners shall adopt an ordinance consistent with the court decree within thirty (30) days of the entry of the decree or be subject to contempt and other sanctions or actions deemed appropriate by the court.

(f) Any city or county aggrieved by the decision of the court may appeal from the decision and judgment to the supreme court. The procedure of the appeal shall be the same as the procedure for appeals from final judgment in civil actions.

(6) Cities and counties shall review their existing areas of impact and shall reestablish the areas in conformance with the provisions of this section by December 31, 2025. Failure to timely conduct such review and reestablishment shall nullify the current area of impact boundaries and require the city and county to go through the process set forth in subsection (2) of this section.
