The Bonner County Road & Bridge Department is opposed to the requested 5ft street setback variance from the edge of Handy Ave right of way. The road is a privately maintained public right of way which is undeveloped currently, and is only 40ft wide where the current standard width for a public ROW is 60ft. Structures this close to the ROW create issues with the neighborhood's ability to construct a road or install utilities in the future. While there may be no plans for road construction at this time, looking 100+ years into the future, we need to be mindful about how things are likely to change in and around these ROW's in the future.

Utilities need to be installed outside of the road prism and as near as practical to the edge of the public right of way according to the Bonner County Road Standards Manual Section 2.5E. This puts power lines and other utilities too close to the edge of the building or forces the utilities to be installed closer to the center of the already narrow ROW which will interfere with a potential future roadway in order to maintain a reasonable separation from the structures. According to NLI, they need a minimum of 10ft separation from structures, and this proposed location would make the outer 5ft of the public ROW unsuitable for utility installations if/when the need arises in the future if this 5ft setback were to be permitted.

If the setback could be increased to 10ft, I would change our opposition to a neutral stance.

NOTICE IS HEREBY GIVEN that the Bonner County Hearing Examiner will hold a public hearing at **1:30 pm** on **Wednesday, April 16, 2025** in the Bonner County Administration Building, 1500 Highway 2, Sandpoint, Idaho, by Zoom teleconference, and YouTube Livestream to consider the following request:

File V0003-25 - Variance - Street Setback

The applicant is requesting a variance to the street setbacks standards to allow for a 5' setback where 25' is required, along both Handy Street to the north and the alley way to the east of the subject lot. The 0.128-acre property is zoned Recreation. The project site is located off Scranton Avenue in Section 10, Township 59 North, Range 4 West, Boise-Meridian. *Coolin*

For details regarding this application, Zoom teleconference, or YouTube livestream, visit the Planning Department web site at www.bonnercountyid.gov/departments/Planning. Staff reports are available online or may be viewed at the planning department approximately a week before the scheduled hearing.

Written statements must be submitted to the planning department record no later than seven (7) days prior to the public hearing. Written statements not exceeding one standard letter sized, single spaced page may be submitted at the public hearing. Statements can be sent to the Bonner County Planning Department at 1500 Highway 2, Suite 208, Sandpoint, Idaho 83864; faxed to 866-537-4935 or e-mailed to planning@bonnercountyid.gov. The referenced start time stated above reflects the beginning of the hearing. Specific file start time and hearing duration vary.

During the hearing for this application, the public will be given an opportunity to provide testimony and/or evidence regarding how the proposal does or does not comply with the applicable approval criteria of the Bonner County Revised Code. At the close of the public hearing, the governing body will make a decision on the application that may include, but is not limited to, approval, denial, remand, or continuance of the public hearing. Any person needing special accommodations to participate in the public hearing should contact the Bonner County Planning Department at (208) 265-1458 at least 48 hours prior to the scheduled hearing.

If you have no comment or response, you may indicate below and return this form to the Planning Department.
