Applicable laws:

The following sections of Idaho Code apply to this petition:

- §50-1306A – Vacations of Plats – Procedures

Overview:

A. Site data:

Plat acreage: ±2.5 acres

B. Access: Access to the property is via Eastriver Road, a Bonner County owned and maintained public right-of-way.

C. Standards review:

The project has been reviewed for conformance with Idaho Code §50-1306A, Vacation of Plats - Procedure. The following facts relate to the standards of review:

- The petition to vacate a platted area complies with all State procedures set forth in IC §50-1306A and IC §50-1317.
- In the case of easements granted for gas, sewer, water, telephone, cable television, power, drainage, and existing travelway - these easements are to be left intact and are not vacated through the provisions of this petition.

Planner's Initials: KS **Date:** August 6, 2025

Note: The final decision rests with the governing body after the completion of the public hearing and consideration of all relevant oral and written testimony and evidence.

Motion by the governing body:

BOARD OF COMMISSIONERS

MOTION TO APPROVE: I move to approve this petition, FILE VS0001-25, to vacate the north half of Lot 6, an approximate 2.5-acre lot from the Plat of Chase Creek, finding that it is in accord with Idaho Code as enumerated in the following conclusions of law:

Conclusion 1

This proposal **is** compliant with the vacation criteria and standards set forth at Idaho Code §50-1306A.

Finding

This petition was submitted to the Planning Department on January 13, 2025. This petition was noticed to neighbors within 300 feet on July 1, 2025, and was noticed in the newspaper on July 1, 2025 and July 11, 2025.

Per the application, there are no ingress, egress, or utility easements in the area that is proposed to be vacated. Local utility providers were routed as part of agency review, and none responded.

Idaho Code §50-1317 does not apply to this project as the area is not located within any city limits.

Conclusion 2

By granting of this petition for vacation, easements **will not** be vacated according to the legal description.

Finding

Per the petition, there are no easements within the area proposed to be vacated.

Conclusion 3

Abandonment **will not** impede or deprive any property of legal access.

Finding

The area proposed to be vacated will be absorbed by bordering properties through a Boundary Line Adjustment, therefore no property will be left without legal access.

Conclusion 4

Granting of this petition for vacation **is** in the public's interest.

This decision is based upon the evidence submitted up to the time the Staff Report was prepared and testimony received at this hearing. I further move to adopt the findings of fact and direct planning staff to draft written findings and conclusions to reflect this motion and transmit to all interested parties. The action that could be taken to obtain the vacation is to complete the Conditions of Approval as adopted. This action does not result in the taking of private property.

MOTION TO DENY: I move to deny this petition, FILE VS0001-25, to vacate the north half of Lot 6, an approximate 2.5-acre lot from the Plat of Chase Creek, based upon the following conclusions:

Conclusion 1

This proposal **is/is not** compliant with the vacation criteria and standards set forth at Idaho Code §50-1306A.

Finding

This petition was submitted to the Planning Department on January 13, 2025. This petition was noticed to neighbors within 300 feet on July 1, 2025, and was noticed in the newspaper on July 1, 2025 and July 11, 2025.

Per the application, there are no ingress, egress, or utility easements in the area that is proposed to be vacated. Local utility providers were routed as part of agency review, and none responded.

Idaho Code §50-1317 does not apply to this project as the area is not located within any city limits.

Conclusion 2

By granting of this petition for vacation, easements **will not/will** be vacated according to the legal description.

Finding

Per the petition, there are no easements within the area proposed to be vacated.

Conclusion 3

Abandonment **will not/will** impede or deprive any property of legal access.

Finding

The area proposed to be vacated will be absorbed by bordering properties through a Boundary Line Adjustment, therefore no property will be left without legal access.

Conclusion 4

Granting of this petition for vacation **is / is not** in the public's interest.

- 1) File a new petition with the Planning Department and meet the standards required by Idaho Code; or
- 2) Pursue such remedies as may be applicable at Idaho Code, Title 50, Chapter 13.

Findings of Fact:

- The applicant is requesting to vacate the North half of Lot 6, an approximate 2.5-acre lot from the Plat of Chase Creek.
- Based on materials submitted in this application, no real property adjoining the area to be vacated would be left without access to an established highway or public right-of-way.
- This petition was submitted to the Planning Department on January 13, 2025. This petition was noticed to neighbors within 300 feet on July 1, 2025, and was noticed in the newspaper on July 1, 2025 and July 11, 2025.
- Staff has received no public or agency comment or feedback opposing the proposed vacation.
- Vacation of this right-of-way will not extinguish any rights-of-way or easements for the continued use of existing sewer, gas, water, or similar pipelines and appurtenances, or other underground facilities.

Suggested Conditions of approval:

- A-1** The vacation of the above described platted area shall be effective upon the recording of a resolution by the Bonner County Commissioners granting the vacation.
- A-2** No lots or parcels shall be left without legal access.
- A-3** The applicants shall submit, and complete, an application for a Boundary Line Adjustment.

Conditions to be Met Prior to Recording of the Resolution:

- B-1** The costs for legal advertisements and recording fees shall be borne by the petitioner and shall be paid prior to the recording of the resolution for this vacation.
- B-2** The vacation of the platted area shall only be for the lot as described above. All easements existing on the subject area shall remain in place.

The complete file is available for review in the Planning Department, 1500 Highway 2, Suite #208, Sandpoint, ID. Staff reports are available online one week before the hearing at www.bonnercountyid.gov Bonner County Revised Code (BCRC) is available at the Planning Department or online.
