Matt,

Thanks for discussing R&B's position on this project.

[Here](#) is the link to the project info.

Please let me know if you have any questions.

Sam,

As we discussed, this road is privately maintained and most likely privately owned and the Road & Bridge Department has no comments or concerns because this setback variance will not affect our operations.

Thanks, Matt.

I'll put your comment in the report.

Have a nice weekend--
