Sandy UT 84092

**RE: Will Serve Letter:** RP 00352001001A

The Garfield Bay Water & Sewer District has the intent and will to provide sewer service to the proposed project of 9 Single Family Units.

The following conditions shall be met:

- 1) The developer complies with all Sewer District conditions.
- 2) This is subject to: Execution of a sewer main line extension agreement, Sewer service agreement and before the time of actual final plat recordation.
- 3) All infrastructures shall meet the requirements of Garfield Bay Water & Sewer District.
- 4) Garfield Bay Water & Sewer District reserves the right to review proposed plans to evaluate the proposed number of connections and make adjustments as necessary.
- 5) Effective date per Board agreement, November 18, 2021 through November 18, 2022.

Sincerely,

Vicki Wininger  
District Clerk
