Hi Jenna ,

Please consider this email as comment from Idaho Department of Fish and Game (IDFG) regarding CUP0022-23. The purpose of these comments is to assist the decision-making authority by providing technical information addressing potential effects on wildlife and wildlife habitat and how any adverse effects might be mitigated.

The Idaho Department of Fish and Game recommends that the 40' wetland setback, as noted in the wetland delineation, be adhered to.

Thank you,

Merritt Horsmon
