Thank you for the opportunity to comment on the proposed conditional use permit for Cabin View Winery CUP0001-24. The existing residential well and residential septic system will require additional work to demonstrate that they meet requirements for public drinking water system and wastewater from the proposed winery. DEQ requests that the applicant contact our regional engineering manager Katy Baker-Casile at 208-769-1422, or katy.baker-casile@deq.idaho.gov to discuss the proposed project in further detail.

Thank you-
