Good morning,

Please find the following comments from the Idaho Department of Environmental Quality for the drinking water and wastewater considerations on File S0005-24 Bahia Del Sol 2nd Addition. The application is for 23 Residential lots. However, the "will serve" letters from Southside Water and Sewer District and Mountain Springs Water Corporation say they will serve 28 and 29 connections, respectively. This appears to be a discrepancy in application with the county, compared to the request for sewer and water services.

If you have any questions about the comments this project has received please contact:

- Katy Baker-Casile for engineering and wastewater.
- Anna Moody for drinking water.
- Shawn Sweetapple for air quality.
- Kevin Aardahl for remediation or RCRA.
- Robert Steed for surface water and setback requirements.

Thank you-
