Voted upon and the Chair declared the Motion passed, unanimously.

Findings of Fact:

1. The Bonner County Planning Department has reviewed the proposed changes against Idaho Code and made amendments to better comply with the Idaho Code, specifically Title 67 Chapter 65, Local Land Use Planning.
2. The Board of County Commissioners is authorized by Idaho Code, Chapter 7, Title 31, to adopt ordinances, rules and regulations "...not repugnant to law, necessary for carrying into effect or discharging the powers and duties conferred by the laws of the state of Idaho, and such as are necessary or proper to provide for the safety, promote the health and prosperity, improve the morals, peace and good order, comfort and convenience of the county and the inhabitants thereof, and for the protection of property therein..."

The proposed ordinance making the above changes adds to the clarity intended in the interpretation of the Bonner County Revised Code and Bonner County Comprehensive Plan. These actions will further balance the provision of safety, health and prosperity while maintaining the protection of property, peace, good order, comfort and convenience of the county and its inhabitants.

3. The proposed changes are intended to provide clarification of the regulations, enabling the public and the staff to achieve the best results leading to greater understanding and use of the zoning ordinance.
