REF: AM0021-25

TO: Bonner County Planning Department

Good afternoon,

Idaho Department of Water Resources (IDWR) – Northern Regional Office offers the following comments pertaining to AM0021-25:

- IDWR requests that City's municipal provider(s) update their water system boundary map(s) if any changes occur that expand service area boundaries. The map changes do not result in changes from established recorded water rights on record but update IDWR of any changes to maintain current records on file.
- This potential update of records **does not constitute a condition of approval for proposed changes** to the Area of Impact for the City of Oldtown as detailed in AM0021-25.

Thank you for the opportunity to comment,

Luke Bates – Sr Water Resource Agent
