The Road & Bridge Department has the following comments regarding this file:

1. Based on the trip generation and distribution letter, and the proximity to the existing safety issues at the Lakeshore Drive and Hwy 95 intersection, we recommend a traffic impact study be required at this time to identify some of the improvements that would need to be made at this phase and future phases for the full marina buildout. Some of the initial thoughts we have may involve:

a. A right turn only exit signage for those leaving the marina parking lot to limit the exiting traffic crossing Lakeshore Drive conflicting with southbound highway traffic exiting the highway and taking the corner at high speed.

b. Future phases that require additional parking across Lakeshore Drive on the Smokehouse Rd lot may require alternate access via Treeline Drive, the possible closure of Smokehouse Rd connection to Lakeshore and alternate access established, and the potential for an elevated or tunneled pedestrian access between the parking lot and the marina.

c. Traffic entering Highway 95 from Lakeshore Drive may be required to turn right (south) on Hwy 95; this change is already being discussed with ITD, including a painted or concrete curbed porkchop forcing the right turn. This island may impact the future turning movements to or from the marina and should be part of the consideration.

REF: CUP0008-25

TO: Bonner County Planning Department

Good afternoon,

Idaho Department of Water Resources (IDWR) – Northern Regional Office offers the following comments pertaining to CUP0008-25:

- The application proposes water services by Southside Water and Sewer District, which is an existing Municipal service provider whose service area covers the Applicant's parcel.
- Once the Applicant has validated water services from the municipal provider Southside Water and Sewer District's existing water rights cover IDWR's jurisdiction for CUP0008-25's contemplated development of domestic use, rental cabin use, and snack shack water usage.

Thank you for the opportunity to comment,
