Bonner County Planning - File MOD0004-25 Agency Review

DEQ Comments <deqcomments@deq.idaho.gov>
To: Dylan Young <dylan.young@bonnercountyid.gov>

Thu, Jul 31, 2025 at 2:06 PM

Good Afternoon,

Thank you for providing the opportunity to comment. DEQ has no environmental impact comments for the project listed above at this stage of development.

Thank you,

Idaho Department of Environmental Quality
2110 Ironwood Parkway, Coeur d'Alene, Idaho 83814
Office Line: 208.769.1422

www.deq.idaho.gov

Our mission: To protect human health and the quality of Idaho's air, land, and water.

Bonner County Planning Department,

The Idaho Transportation Department (ITD) would like to provide the following comments regarding the Modification of Conditional Use Permit (CUP) MOD0004-25 for the House of the Lord, Inc. The applicant applied for and obtained a state highway right-of-way encroachment permit for an existing 30' approach on the east side of State Highway 41 at milepost 36.16 (ITD Permit 1-25-436-A).

The approach encroachment permit was granted to the applicant on 6/30/2025 and contained the following special provisions:

MUTCD traffic control shall be in place before work begins and removed from the roadway at the end of every shift. When no work is taking place, traffic control devices shall be removed. Traffic control devices and operations will be prohibited on all paved surfaces in the event of snow and/or ice storms. Permittee shall use appropriate Best Management Practices to control erosion and reseed disturbed ground. Approach must meet the attached ITD standards and specifications for culvert and paving. Any future commercial, industrial, or residential developments, or divisions of land will require a review by ITD and the existing permit is subject to become VOID. Approach to the south at approximately MP 36.1 to be obliterated by July 10, 2026.

The proposed CUP Site Plan Sheet No: AS-101 depicted a new approach and gate at the southern end of the subject parcel. This is the approach that is to be obliterated as part of the special provisions for granting the applicant access to State Highway 41. ITD grants one access point per parcel and the proposed southern approach does not meet spacing standards in accordance with IDAPA 39.03.42 – Highway Right-of-Way Encroachments on State Rights-of-Way.

The Applicant is advised to reconsider the internal traffic circulation plan and parking layout to utilize the recently approved existing 30' approach and the removal of the southern approach as a requirement of ITD approach encroachment permit.

Respectfully,

Robert Beachler
District 1 Planning Program Manager

This approach has been permitted for a commercial approach. Traffic volumes cannot exceed 300 cars on Sundays/church events unless a change-in-use permit has been approved. Permittee must comply with the provisions in the permit letter. Permit no. 1-25-436-A. ITD Permits has no objection.

Thank you,

Subject: House of the Lord plans

To: wpofd1.jamie@gmail.com <wpofd1.jamie@gmail.com>

Chief Painton,

Our office has looked at the submitted plans for the new House of the Lord church on Highway 41.

This building will require an automatic sprinkler system, as specified in the 2018 *International Fire Code*:

903.2.1.3 Group A-3

An automatic sprinkler system shall be provided throughout stories containing Group A-3 occupancies and throughout all stories from the Group A-3 occupancy to and including the levels of exit discharge serving that occupancy where one of the following conditions exists:

1. The *fire area* exceeds 12,000 square feet (1115 m²).
2. The *fire area* has an *occupant load* of 300 or more.
3. The *fire area* is located on a floor other than a *level of exit discharge* serving such occupancies.

This building will require an approved fire alarm system, as specified in the 2018 *International Fire Code*:

907.2.1.1 System initiation in Group A occupancies with an occupant load of 1,000 or more.

Activation of the fire alarm in Group A occupancies with an *occupant load* of 1,000 or more shall initiate a signal using an emergency voice/alarm communications system in accordance with Section 907.5.2.2.

907.5 Occupant notification systems.

A fire alarm system shall annunciate at the fire alarm control unit and shall initiate occupant notification upon activation, in accordance with Sections 907.5.1 through 907.5.2.3.3. Where a fire alarm system is required by another section of this code, it shall be activated by:

1. Automatic fire detectors.
2. Automatic sprinkler system waterflow devices.
3. Manual fire alarm boxes.
4. Automatic fire-extinguishing systems.

The exits for the building are adequate for the occupant loads listed.

Thanks,

Debbie

To: planning@bonnercountyid.gov

The fire department has not seen any engineered plans on this modification.
Prior to approving an updated building permit, we need to see the plans and occupancy load and evaluate the need for an automatic sprinkler system, an automatic alarm system, egress out of the building, and egress to the highway.
West Pend Oreille Fire District

NOTICE OF PUBLIC HEARING

I hereby certify that a true and correct copy of this "Notice of Public Hearing" was digitally transmitted or mailed (postage prepaid) on this **1st** day of **July 2025**.

Dylan Young

Dylan Young, Hearing Coordinator

This notice was mailed to political subdivisions, property owners within 300 feet of the subject property, and the media on **Tuesday, July 1, 2025**.

NOTICE IS HEREBY GIVEN that the Bonner County Zoning Commission will hold a public hearing at **5:30 pm** on **Thursday July 24, 2025** in the Bonner County Administration Building, 1500 Highway 2, Sandpoint, Idaho, by Zoom teleconference, and YouTube Livestream to consider the following request:

File MOD0004-25 – Modification of Terms–Church

The applicants are requesting a modification to C650-99, to include the new lot size, and the construction of a larger church. The 10-acre parcel is zoned Rural 10(R-10). The project site is located off State Highway 41 in Section 6, Township 55 North, Range 5 West, Boise-Meridian. The project is located within the West Pend Oreille Fire District.

For details regarding this application, Zoom teleconference, or YouTube livestream, visit the Planning Department web site at www.bonnercountyyid.gov/departments/Planning. Staff reports are available online or may be viewed at the planning department approximately a week before the scheduled hearing.

Written statements must be submitted to the planning department record no later than seven (7) days prior to the public hearing. Written statements not exceeding one standard letter sized, single spaced page may be submitted at the public hearing. Statements can be sent to the Bonner County Planning Department at 1500 Highway 2, Suite 208, Sandpoint, Idaho 83864; faxed to 866-537-4935 or e-mailed to planning@bonnercountyyid.gov. The referenced start time stated above reflects the beginning of the hearing. Specific file start time and hearing duration vary.

During the hearing for this application, the public will be given an opportunity to provide testimony and/or evidence regarding how the proposal does or does not comply with the applicable approval criteria of the Bonner County Revised Code. At the close of the public hearing, the governing body will make a decision on the application that may include, but is not limited to, approval, denial, remand, or continuance of the public hearing. Any person needing special accommodations to participate in the public hearing should contact the Bonner County Planning Department at (208) 265-1458 at least 48 hours prior to the scheduled hearing.

If you have no comment or response, you may indicate below and return this form to the Planning Department.
