Subj: RP57N02W164952A - Will Serve Letter

To whom it may concern,

The Syringa Heights Water District has the capacity and desire to serve the proposed 28 lot subdivision of the subject parcel in Bonner County, Idaho with water service.

Water main extensions will be required for the proposed development of which design and construction will be at developers expense. Water service connections will only be reserved by payment of capitalization fees in advance. Connection (meter) fees may be paid at the time of individual lot connection.

The Syringa Water District does not provide water for fire protection.

If you have questions or comments, please contact me directly.
