DEQ Comments <deqcomments@deq.idaho.gov>

Fri, Sep 12, 2025 at 3:11 PM

To: Bonner County Planning Department <planning@bonnercountyid.gov>

Development setbacks from stream banks and lake shorelines are an important tool for protecting water quality. Riparian vegetation provides natural filtration of stormwater runoff and provides numerous other benefits to promote healthy surface water ecology. DEQ recognizes that there are sometimes unique circumstances that may justify reduced setbacks. While an individual variance likely has a relatively small impact on water quality, the cumulative impact of development in close proximity to shorelines and stream banks is a significant threat to water quality. DEQ advises local government planning departments to maintain established setbacks whenever possible. Exceptions should be considered carefully by the local jurisdiction and used only when absolutely necessary to accommodate unique circumstances.

If you have any questions about the comments this project has received please contact:

- Katy Baker-Casile for engineering and wastewater.
- Anna Moody for drinking water.
- Shawn Sweetapple for air quality.
- Kevin Aardahl for remediation or RCRA.
- Robert Steed for surface water and setback requirements.

Thank you-

NOTICE OF PUBLIC HEARING

I hereby certify that a true and correct copy of this "Notice of Public Hearing" was digitally transmitted or mailed (postage prepaid) on this 2nd day of **September 2025**.

Dylan Young

Dylan Young, Hearing Coordinator

This notice was mailed to political subdivisions, property owners within 300 feet of the subject property, and the media on **Tuesday, September 2, 2025**.

NOTICE IS HEREBY GIVEN that the Hearing Examiner will hold a public hearing at **1:30 pm** on **Wednesday, October 1, 2025** in the Bonner County Administration Building, 1500 Highway 2, Sandpoint, Idaho, by Zoom teleconference, and YouTube Livestream to consider the following request:

File V0024-25 - Variance - Waterfront Setback

The applicant is requesting a 0' waterfront setback where 40' is required for the construction of a deck. The ≈6-acre property is zoned Rural-5. The project site is located off Bottle Bay Road in Section 19, Township 57 North, Range 01 West, Boise-Meridian. The project site is within the service areas of Sagle Fire District and Lake Pend Oreille School District #84.

For details regarding this application, Zoom teleconference, or YouTube livestream, visit the Planning Department web site at www.bonnercountyyid.gov/departments/Planning. Staff reports are available online or may be viewed at the planning department approximately a week before the scheduled hearing.

Written statements must be submitted to the planning department record no later than seven (7) days prior to the public hearing. Written statements not exceeding one standard letter sized, single spaced page may be submitted at the public hearing. Statements can be sent to the Bonner County Planning Department at 1500 Highway 2, Suite 208, Sandpoint, Idaho 83864; faxed to 866-537-4935 or e-mailed to planning@bonnercountyyid.gov. The referenced start time stated above reflects the beginning of the hearing. Specific file start time and hearing duration vary.

During the hearing for this application, the public will be given an opportunity to provide testimony and/or evidence regarding how the proposal does or does not comply with the applicable approval criteria of the Bonner County Revised Code. At the close of the public hearing, the governing body will make a decision on the application that may include, but is not limited to, approval, denial, remand, or continuance of the public hearing. Any person needing special accommodations to participate in the public hearing should contact the Bonner County Planning Department at (208) 265-1458 at least 48 hours prior to the scheduled hearing.

If you have no comment or response, you may indicate below and return this form to the Planning Department.

RE: V0024-25 Variance Waterfront Setback

Panhandle Health District has reviewed the Bonner County Planning Application referenced above for RP57N01W196501A (4501 Bottle Bay Road), and has the following comments:

A review of PHD records indicates that parcel associated with this variance application has been served by an Individual Sewage Disposal System (01-09-0403). The deck does not discharge wastewater and would not affect septic. PHD would caution the applicant regarding future construction activities occurring within the vicinity of the septic tank: No parking, driving or structures over the septic tank/ pump chamber; structures must meet a minimum 5-foot setback to the septic tank(s) and/or effluent lines. NOTE: Any future PHD approvals for BLPs will require the submittal of a site plan showing the new construction and how it meets setbacks to septic.

Best Regards,

Sarah Tonyan, REHS
