After review of application ZC0008-25, IDWR does not have any comments on the proposed zoning change. The parcel number listed on the application appears to have water rights under WR#96-10335. Additional water uses developed on the property may be subject to additional water rights requirements. The applicant may contact the IDWR Northern Regional Office by phone at 208-762-2800 or by email at northerninfo@idwr.idaho.gov.

Thank you for the opportunity to comment.

Sincerely,

Micki Bowman | Administrative Assistant 1

The Idaho Transportation Department (ITD) is neutral on the proposed zoning change from AF10 to R5. The subject parcel RP034180000020A owned by Stewardship Land Management LLC, was granted a single-family residential approach (ITD Permit 1-24-293-A) on to SH-200 to Kenneth & Linda Green to serve the adjacent Parcel RP034180000010A that was previously owned by the Stewardship Land Management LLC. Parcel RP034180000020A has current reasonable access to the parcel on Old Highway Rd and ITD will not grant any additional access on to SH-200.

Any future development will have to follow the current codes regarding fire apparatus access. At this time Northside Fire is following the State of Idaho Fire Marshal's adopted codes, International Fire Code 2018 edition and IDAPA 18.08.01.
