To: Bonner County Planning Department &lt;planning@bonnercountyid.gov&gt;

Due to the installation of the generator, DEQ recommends that the County require the applicant to obtain either an air quality permit exemption concurrence or an air quality permit to construct from DEQ.

If you have any questions about the comments this project has received please contact:

- Katy Baker-Casile for engineering and wastewater.
- Anna Moody for drinking water.
- Shawn Sweetapple for air quality.
- Kevin Aardahl for remediation or RCRA.
- Robert Steed for surface water and setback requirements.

Thank you-
