Janna,

NLI is not opposed to the proposed variance in File # V0029-25.

NLI has built out most of the lots in that subdivision of Hidden Lakes First Addition.
There is a transformer that will feed power to lots 17 and 18 on the southwest lot corner of lot 18.

As the owners are proposing a variance to construct an ADU within the setback along Fairway View, on the north side of lot 18, the NLI line, equipment, and right of way. When the owners are ready for an electric service, they can apply online at www.nli.coop.

Thank you for the opportunity to review and comment--sincerely,

Samuel Ross
