File VA0009-25 - Variance - Administrative - Impervious Surface Coverage

The above-named application has been submitted to the Bonner County Planning Department for processing and has been determined to be complete. The applicant is requesting a 38% impervious surface coverage within 200 ft of the shoreline where a maximum of 35% impervious surface coverage is allowed. The property is zoned Rural 5. The project is located off of Bottle Bay Road in Section 25, Township 57 North, Range 02 West, Boise-Meridian.

To review this application, go to the Planning Department web site at bonnercountyid.gov/current-projects. If you experience difficulties visiting the project web page, try an alternative browser (Mozilla Firefox or Google Chrome) for access. If you prefer to receive hard copies of the application or have any difficulties reaching this web site, please contact the planning department as soon as possible.

Please review the application relative to your agency's area of expertise and include any recommended conditions of approval and supporting code sections by **June 2, 2025**. If your agency requires any additional information from the applicant, please advise the planning department in writing allowing ample time for applicant response. All comments will be forwarded to the applicant and representatives. If no response is provided, staff will conclude your agency has no objections to the project or recommended conditions.

If you have no comment or response, you may indicate below and return this form to the Planning Department.
