BONNER COUNTY PLANNING DEPARTMENT,

IDWR has reviewed the variance application File# VA0023-25 requesting a street setback of 21.5 feet where 25 feet is required for the purpose of constructing a shop

with living quarters. IDWR have not identified any concerns on our end that would necessitate a delay or further details. We are grateful for the chance to provide our input and address any potential concerns.

Thank you,

Kevan McClarty
