REF: VA0025-25

TO: Janna Brown – Bonner County Planning Department

578 Kistler Road LLC & Mathew J Huddleston

Good afternoon,

Idaho Department of Water Resources (IDWR) – Northern Regional Office thanks Bonner County for the opportunity to comment on VA0025-25.

The wetland setback variance includes land upon which two storage ponds have been previously excavated on parcel RP58N01W313604A, as illustrated on the Applicant's site plan aerial imagery.

Idaho Code §42-351 (see attached) covers Illegal Diversion or use of Water and the two storage ponds *may* constitute an illegal impoundment of a ground water source or surface water source.

IDWR requests the Applicant, 578 Kistler Road LLC, contact our Northern Regional Office to discuss the two (2) storage pond's development and to determine if water right Application for Permit(s) are required to gain compliance on the impoundment of what appears to be impoundment of a ground water source.

Notwithstanding the two pond's excavation, IDWR has no additional comments on the proposed variance.

Best Regards,

Bates, LukeIdaho Department of Water Resources
