

Inside the tentative Priest Lake Boundary, the following stats are needed:

1. Private land acreages
2. Public land breakdown and acreages
3. Number of Parcels
4. Comp Plan Designation Acreages
5. Zoning Acreages
6. Comp Plan Map
7. Zoning Map
8. BLP counts and points
- 9.

Committee is wondering if they went far enough east, below the Boundary County border. Did we miss anything important, or leave anything out.

Vision statement homework - email out to the committee. We will work on vision statement in the next meeting.

Next meeting: How to communicate with the public about the committee's work; five or six ways?

Email 3 economic spreadsheets to the committee. Email Future of Rural Idaho.
