Special Total \$194.00

District/Special Total \$870.74  
- \*Homeowner Tax Reduction -\$80.82

Amount Due \$789.92

Total amount billed and due. Tax + Specials -  
Homeowner Tax Reduction = amount due.

Each one of these tax amounts are  
determined by taking the Net Market  
Value multiplied by the Levy Rate noted  
to the right of each taxing district listed.  
For example: to arrive at the \$242.30  
that will be paid to the county, you take  
the Net Value noted for 2024 of \$158,  
190.00 x the 2024 levy rate of  
0.001531742. This will equal the  
\$242.30 that will be collected for the  
county.

Total of all individual tax amounts due  
for each taxing district.

If there is a livable dwelling on the  
property, you will be assessed a Solid  
Waste fee. This fee is collected to  
maintain the land fill. You could also see  
other fees such as Forest Protection  
fees depending on where your parcel is  
located.

Total of tax plus any special amounts.

If this is your primary residence and  
there is a Homeowner's Exemption on  
the property, you will see a credit  
amount deducted. This Homeowner  
Tax Relief was approved by the Idaho  
State Legislatures in 2023. If you  
qualified for the Property Tax  
Reduction (formally called the Circuit  
Breaker) you would see this reduction  
in this section as well labeled \*  
Property Tax Reduction.
