Sprayer Rentals

Bonner County rents out weed sprayers at a rate of \$30 per day plus a refundable \$50 deposit. These sprayers come equipped with two individually operated boomless nozzles that spray a width of 10' each, approximately 60' of hose with a handgun attached, and a 150 gallon – 200 gallon capacity tank (depending on which site you rent from). Filled to capacity, they are calibrated to treat 5 acres traveling at 3-4 MPH. The pumps are powered by a gasoline engine, and the trailers attach via a pin hitch (requiring a stinger without a ball mounted on it). They are available to rent on a reservation basis during the months of May, June, July, & August at the following solid waste sites: **Colburn** 208-263-0718, **Dufort** 208-265-0978, **Blanchard** 208-623-3591, **Clark Fork** 208-266-0196 and **Careywood** 208-683-1250. They may be available by special appointment during the months of September & October directly from the Noxious Weeds Department 208-255-5681ext.6.
